

The Becker Friedman Institute

Chicago Price Theory Summer Camp at HKU

We are proud to present the Becker Friedman Institute’s Chicago Price Theory Summer Camp at HKU. This prestigious summer camp has been running for 20 years to teach the unique Chicago approach to price theory to Ph.D. students of leading universities in the U.S.A., and will be conducted by the legendary and inspiring **Professor Kevin Murphy, John Bates Clark Medalist, from the University of Chicago.**
